Our Staff:

Please join me in welcoming our staff for the 2006th season.

- Manager Tim McCleery has brought the club to a pristine condition this year, from the landscaping, clubhouse painting as well as organization throughout the kitchen, house, and barn. He is also cooking up a storm, with wonderful selections for the Thursday night dinners and a bountiful spread for the Sunday Brunches. He will plan you special reception, cocktail party, or luncheon for you and your closest friends. Please call today and get on his calendar before it is too late!*
- Laura Ness is handling guest room reservations. Call her today and she can email you the available room schedule for the summer. The summer is too short to miss out on a trip to the island. Laura will also help you select merchandise with our MIYC logo from our new wide selection of shirts, sweatshirts, polo shirts, etc.*
- Melanie Witt is an intern from Michigan State whose academic goal is to attain a BA in Hospitality Business. She is helping out in all functions of the club. Please introduce yourself to her when you call or visit.*
- Shanice Bartley is our resident housekeeper and is a familiar face to many of you. She has joined our staff full time this year and is keeping our "club" immaculate. She will also assist with special events.*
- Not pictured is Anneke Myers, our resident bookkeeper who handles all of the accounting for the club. An unbelievable job when she gets a new boss each year.*
- Also not pictured is Laura McLaurin our resident club secretary. She is the one who gets all of the mailings out for the club on time. Again, not an easy job when many of us live out of state.*

We are so lucky to have such a talented and dedicated crew whose sole purpose is to service you.

Spring House Projects:

We have had a very busy spring. In April, we installed an under ground sprinkler system in the front and rear yards. Tim has top soiled, fertilized, and seeded the lawn to the point that it looks like a carpet. We re-carpeted the front porch, put in beautiful new carpet, beds and pillows in all of the guest rooms, and repaired the laundry room with a new roof and new water heater. We are in the process of stripping wallpaper from guest room 1 and guest room 6, with new paper to be installed this week. We have replaced windows in room 1 that "open" and are starting on a replacement process of all of the rooms old heaters. Lastly, we are reviewing the club's electrical circuitry and circuit breakers to make sure they can handle the current requirements that our members place on the facility.

Old Business:

Members bikes housed in the Barn. Remember that all bikes that are kept in the barn need to be registered at the front desk. Please do not lock bikes together or to the bike rack. They must be left free to be moved, if necessary. Bikes also need to be licensed with the Mackinac Island police department. Please note, all bikes not registered at the Club's front desk, will be given to the Island police for disposition. Please see Rules and Regulations No. 4 Member Use of Facilities.

So --- don't miss out! The Summer is here and your club awaits you!

See you there!
